The United States respectfully moves the Court to seal this Motion, any Order ruling on this Motion, the Criminal Complaint, Affidavit in Support of Criminal Complaint and Arrest Warrant, the Search Warrant and Affidavit in Support of Search Warrant and any other related paperwork in the above-referenced matter until further Order of this Court. As grounds, the United States represents that those documents be sealed to avoid prematurely revealing an ongoing investigation, guard against fugitives, and better ensure the safety of agents and others.

The United States also requests that, notwithstanding any sealing order, the Clerk of Court be required to give copies of the sealed documents to employees of the United States Attorney's Office, and that they be permitted to serve working copies on special agents and other investigative and law enforcement officers of the FBI, federally deputized state and local law enforcement officers, other government and contract personnel acting under the supervision of such investigative or law enforcement officers, and telecommunications companies as necessary to effectuate the Court's Order.

DATED: April 1, 2016

Respectfully submitted,
BRIAN J. STRETCH
